

PHYSICS ACADEMY MADE PHYSICS EASY

E-BROCHURE

Outstanding | Effective | Fantastic

Founded Physics Academy in 2010 by our Popular Ex-MOE & Award-Winning Physics Lecturer, Mr. Bryan Lai then invented the *PhysicsProf Learning System (PPLS)* which empowers thousands of A Level, O Level, and IP students to realise their dreams of getting into Top Junior Colleges & Universities in Singapore.

Using PPLS, students could access our learning resources via our Physics App, and this helps many of our students learn faster than their peers, ultimately scoring Distinctions. While the majority of tuition centres in Singapore provide 2-hour weekly lessons, we provide almost 24/7 learning experience to all our students!

PPLS - Physics Prof Learning System

PPLS helps students achieve Distinctions in the A/O Level Examination in the past 13 years. It is an integrated learning system consisting of 4 main components to help you learn as fast as you want & understand Physics easily and transform your grade rapidly for O level, IP, and A Level.

Interactive Live Lesson

Properly structured for immersive deep learning and covers 2-3 concepts in each lesson.

Digital Learning Platform

Direct streaming of concept-based [O Level](#), [IP](#) & [A Level](#) pre-recorded video lessons via our Learning App, so students can learn, practice, & revise Anytime, Anywhere!

Progress Tracking

Student's performance is recorded and tracked on a personal level. Students and parents will receive notification if there is an alarming situation (e.g. fail in certain chapters, never do practices).

Motivation Programme

Students will be rewarded with Grand Prizes by turning 'Wheel of Fortune' when they score A or get a rapid grade jump in school tests / Physics Academy's quizzes.

Founder of Physics Academy

Mr. Bryan Lai

Master A/O Level Physics Tutor, Founder

- Msc. In Biomedical Engineering NTU, NIE PGDE NTU
- Ex-MOE JC, Secondary O Level, IP (Physics & Biology)
- 15 Years of Teaching Experience
- Popularised 24/7 Learning Experience via PPLS
- Author of Physics Compendium (AKA Physics Bible)

- Digital Lessons
- Expert Series Guide Book
- Unlimited MCQ Practices
- Learning APP

- Live Interactive Master Class
- Visual Physics Guide Book
- Master Class Lesson Replay

LIVE LESSONS

- Physics Compendium
- Formula Card
- Concept List
- MACB Mark Scheme
- Mastery Practice
- Diagnostic Test

ALL-IN-ONE RESOURCES

DIGITAL LESSONS

ACADEMY FEATURES

PROGRESS TRACKING

- Performance Tracking
- Progress Report to Parents & Students

SEAMLESS CONNECTION

- Parent-Tutor Meeting Session
- WhatsApp/ZOOM Consultation

STUDENTS WELFARE

- Wheel-of-Fortune
- Rewards for Scoring A
- Rewards for Rapid Grade Jump
- Termly Party

Schedule

Sec 3 Physics

Fri	7.15pm - 9.15pm (Combined. Physics Only)	Jurong East
Sat	11.30am - 1.30pm 9.00am - 11.00am	Eunos Jurong East*
Sun	9.00am - 11.00am 11.30am - 1.30pm	Jurong East Eunos

Sec 4 Physics

Fri	5.00pm - 7.00pm	Jurong East
Sat	9.00am - 11.00am 11.30am - 1.30pm	Eunos Jurong East
Sun	2.00pm - 4.00pm 9.00am - 11.00am	Jurong East Eunos

Jc 1 Physics

Sat	4.30pm - 6.30pm 2.00pm - 4.00pm	Eunos Jurong East
Sun	11.30am - 1.30pm 4.30pm - 6.30pm	Jurong East Eunos

Jc 2 Physics

Sat	2.00pm - 4.00pm 4.30pm - 6.30pm	Eunos Jurong East
Sun	4.30pm - 6.30pm 2.00pm - 4.00pm	Jurong East Eunos
